NATURAL BEAUTY

Grains, knots and natural beauty grant a unique appearance to each Eichholtz coffee table with a petrified wood tabletop. Characterised by natural black, brown, grey and white tones, these distinctive coffee tables are suitable for a variety of interior styles and colour schemes.

Petrified wood literally means: wood turned into stone. Trees that have been buried under sediment for many years can transform into stone. While retaining the original structure of the stem tissue, all the organic materials are replaced with minerals.

THE VIBE OF THE CHARLESTON

Swivel Chair Le Vante is as vibrant as the Charleston, that lively dance of the 1920s. Its fringed backside reminds one of flapper dresses that were en vogue that time. The velvet upholstery is a perfect companion for the brushed brass swivel base. Due to the dense padding of the seat and backrest seating comfort is guaranteed.
